# BONZER® PORTIONERS

Over the past 80 years BONZER® have continued to develop it's global products in portion control. With cost control and strong margins being more important than ever before, the correct portion control when serving food could save you hundreds, if not thousands of pounds a year.

## The BONZER® Portioners are renowned for:

- Exact portion control every time
- Robust UK Designed and Manufactured Stainless Steel Bowls
- One Piece Colour Coded Universal Handles
- Advanced Patented Internal Scraper Mechanism allowing for Maximum Power
- No Springs or Food Traps
- The most Hygienic Portion Control on the market
- Certified Hygienic by NSF
- Ergonomically Shaped for Maximum Comfort and Ease of Use
- 15 different sizes ranging from 10ml/g to 139ml/g

With their effective portion control and easy to use mechanism, BONZER® Portioners, ensure the exact quantity of ingredients every time saving you money and protecting your margins with every serving.

### Release System

Features a central scraper activating spindle and patented integral return mechanism with no springs to break.

# three steps to
