STAINLESS STEEL ELEVATOR CUP DISPENSER

450/600MM TUBE

Item Code: 12577-01/12577-02

The Bonzer® Cup Dispenser is a high-quality, durable dispenser designed for use in all takeaway beverage settings. It features a plastic body, adjustable spring-loaded pusher and silicone gasket to accommodate different cup sizes. The stainless steel tube offers the most hygienic and durable solution.

FEATURES AND BENEFITS

Single Cup Release

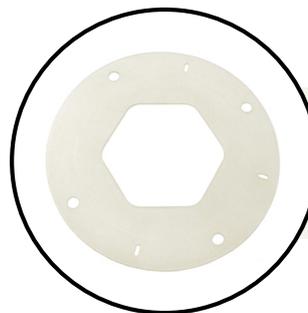

The combination between spring tension and gasket has been carefully calibrated to allow only one cup to be released at a time.

Horizontal or Vertical Mount

The spring and specially designed cup pusher allow the unit to be mounted horizontally within a unit or vertically in a counter-top (mounting bracket available).

Self Service Vending

Ideal for use in self-service coffee vending units. Available in 450mm and 600mm lengths these dispensers will hold a range of cup sizes (62-98mm) and can be mounted for customers to take single cups by themselves.

Gaskets:

Engineered silicone for a perfect fit. 5 sizes ranging from: 62-98mm
