STAINLESS STEEL LID DISPENSER

450/600MM TUBE

Item Code: 12579-01/12579-03

The Bonzer® Lid Dispenser is a high-quality, durable dispenser designed for use in all takeaway beverage settings. It features a stainless steel body, adjustable spring-loaded pusher and silicone gasket to accommodate different lid sizes.

FEATURES AND BENEFITS

Single Lid Release

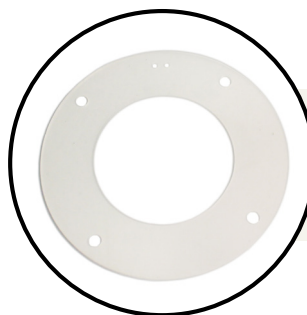

The combination between spring tension and gasket has been carefully calibrated to allow only one lid to be released at a time.

Horizontal or Vertical Mount

The spring and specially designed lid pusher allow the unit to be mounted horizontally within a unit or vertically in a counter-top (mounting bracket available).

Self Service Vending

Ideal for use in self-service coffee vending units. Available in 450mm and 600mm lengths these dispensers will hold a range of lid sizes (79-90mm) and can be mounted for customers to take single lids by themselves.

Gaskets:

Engineered silicone for a perfect fit.
4 sizes ranging from: 79-90mm
